

Our Values

King David High School is dedicated to cultivating ethical behaviour and good practice in all areas of life. We emphasise the importance of middot (character traits) such as honesty, respect, and responsibility. These values are integrated into our daily routines and interactions, creating a community where respect for oneself and others is paramount.

Emet

Integrity

Respect

Honesty

Courtesy

Effort

Emunah

Faith

Kindness

Courage

Resilience

Our curriculum is designed to challenge students, encouraging them to excel in both Judaic and general studies. We strive to create an atmosphere where intellectual curiosity is nurtured, and students are motivated to achieve their fullest potential.
